

## **Strategies for Examinations or Tests (測考策略)**

- Always read the instructions immediately.  
(先閱讀大題目)
- See how much time you have to write the test.  
(先估計每部份所需完成的時間)
- Read the questions carefully.  
(小心閱讀試題)
- Underline the keywords in a question.  
(問下問題的關鍵字)
- Answer the easy questions first. Come back to the harder ones later.  
(先答容易的問題，然後才嘗試困難的題目)
- Attempt ALL questions, even if you're unsure of the answer.  
(回答所有問題，即使你不肯定答中)
- After you have finished the questions, check your answers.  
(完成所有試題後，請核對答案)
- Try to avoid careless mistakes, eg. Punctuation, capital letters etc  
(避免犯下不小心的錯誤，如標點符號、大小楷)
