Super toy shop

4A Wong Sum Yuet / Jovia

Yesterday was my birthday. In the morning, I went to the toy shop with my Dad.

In the toy shop, there were a lot of toys such as model cars and puzzles. Then Dad let me choose a gift. I saw so many toys but Dad said I can only buy one toy.

I saw a red toy car. I tried to play with this beautiful car because it looked really nice. It was extremely fast, which made me like it even more. Suddenly, I tried to stop the toy car and I started feeling worried and scared.

At that moment, a man came to the toy shop and asked, 'Whose toy care ran into the shopping mall?'

In the end, the shopkeeper got angry because of what happened. This story taught me an important lesson. I should always pay for the toys before I start playing with them.

Suddenly, the model car ran out of control. It ran out of the shop! 'On, no! What's wrong with it?' I shouted. First, it ran to a lift. Then, it turned left and rolled down an escalator quickly. A man shouted, 'What happened?' He tried to catch it. However, it was too late. Finally, it was at the bottom of the escalator. It broke into pieces. I learned a big lesson. I should be more careful.

5B Mok Wing Fan / Jacob

One Sunday, the weather was hot and sunny, Wilson and Ricky went for a picnic next to a pond, they went fishing at the pond too. When they went fishing, Wilson said to himself softly, 'I will catch a lot of fish today.'

After a while, Wilson caught a fish. 'Look! I caught a fish after only one minute!' Wilson shouted happily. Ricky was so envious that Wilson could catch a fish so fast so he whispered to himself sadly, 'Why can't I catch any fish?'

Suddenly, Ricky's fishing rod was shaking very hard, 'Ah! Is it a big fish? It is very heavy,' Ricky said to himself, surprised. However, Ricky pulled and pulled but he couldn't catch the fish.

At the end, Wilson saw Ricky didn't have any energy, so he went to help him. Finally, they caught a huge fish, it was ten kilograms. When they got back home, their parents said to them, 'Fishing isn't an easy thing, it requires patience.'

My diary

5C Lai Chun Hin / Jacob

24th August 2023 (Tuesday)

Sunny

It was an unexpected and unsettling day as I never thought that I would cross paths with a thief. Did I play a role in bringing them to justice?

Today, when I was enjoying a peaceful afternoon in the park with Daniel, something unexpected happened. 'Hey, I can hear a woman crying,' Daniel said anxiously. Then, we ran towards the cry immediately. 'Oh no! There is a robber with a knife robbing the woman!' I shouted loudly. I was afraid to take action by myself so I reported to the police without waiting.

Suddenly, Daniel transformed into a superboy with superpowers. He became very tall and muscular. He quickly subdued the robber and made sure the woman was safe.

Luckily, the police arrived just in time. They arrested the robber and said to us, 'You guys did a great job!' It was a relief to know that the robber wouldn't be able to rob again. And of course I was so surprised that Daniel is a superboy.

Standing up for others can make things different. I learned that we should stand up against wrongdoing when necessary.

Happy fishing day

5D Lai Wai Suen / Miyuki

Last Weekend, the weather was cloudy. Wilson and Ricky went to Tai Po Waterfront Park. They went fishing.

In Tai Po Waterfront Park, they were looking for a good place to prepare for fishing. 'I will get a lot of fish and Ricky won't have any fish,' Wilson said to himself softly.

Two hours later, Wilson was suddenly so nervous. 'Yeah, I got a fish!' Wilson shouted joyfully. Ricky saw the fish. Why did I not get a fish?' Ricky whispered to himself worriedly.

Ten minutes later, Ricky's fishing rod was moving. 'What's that sound? Did I get a fish or a big fish?' Ricky said to himself softly.

Dusk was falling, 'Wow, I got three big fish!' Ricky said excitedly. 'I only caught one small fish,' Wilson said sadly. 'Don't give up and try again next time,' Ricky said mildly. In the end, I learned not to be too proud of anything.

A visit to elderly home

6A Yam Wai Tung / Kaylee

22nd September, 2023 (Friday)

Sunny

Today was the most wonderful day ever. It was a pleasant balmy afternoon. My friends and I visited Sunshine Old People's Home. We were extremely happy and excited!

After forty-five minutes, we arrived at the Old People's Home. When we stepped into the centre, we saw a lot of old people waiting for us with big smiles. They were as happy as larks. The old people loved talking and playing with others. Sam went to help an old man who had a walking problem. Also, John and Peter played Chinese chess with them. We still wanted to know more about them, so Jessica and I chatted with two old women. We learnt a lot from them. We cherished every moment with the elderly as it was such a valuable time!

After that, we started 'gift time'. We brought a lot of hand-made gifts to the old people. They all sat down and looked forward to our gifts. When we gave them the gifts, they were all over the moon to receive the gifts.

However, something went wrong. We had an estimation problem! We didn't have enough gifts! I found Sam and told him about that. It was a thorny problem! I had pins and needles and my face turned pale. 'What can we do now?' I asked. 'Um, let me think.' Replied Sam. Suddenly, an idea popped into Sam's mind, 'We have to tell them the fact, and apologize to them. We can perform a show for the old people.' We signed deeply and said, 'We are sorry that we don't have enough gifts, but we are going to perform a show for you. Hope you enjoy it!' We tried our best to perform the show together. The old people gave us a roaring applause with grinning big smiles. We were on cloud nine. The old people said, 'This was the best day ever. Thank you, all of you!' The old people were grinning from ear to ear.

At last we said goodbye to them and said, 'We hope we can come here again to learn and play more with you, See you next time!' From this experience, I learnt a lot from the elderly. I learnt that being flexible is very important and also we have to remain calm if there is an emergency.

The policeman's story

6C Cheng Cheuk Tung / Abby

Today was a lovely, sunny day. However, the sky became cloudy and rain began to fall. I had breakfast at a restaurant which was next to the police station. I was down because of the weather. However, I felt relaxed and comfortable after having breakfast.

After breakfast, I went to the police station and analyzed the murder case with my teammates. Two hours later, we analyzed the case and wanted to have lunch. Suddenly, the phone rang so I picked up the phone. 'I am little Red's grandmother. There is a wolf which is standing in front of my window and wants to get into my house. He wants to eat my granddaughter. Please help us and come as fast as possible!' An old lady said nervously. After receiving the call from Grandma, I felt like a cat on hot bricks. I brought some police equipment such as a pair of handcuffs, a walkie-talkie and a police truncheon to go to Little Red's grandmother's house quickly.

When I arrived at the scene, I saw a wolf, which was standing in front of the window. Although I felt frightened, I needed to calm down. Then I shouted to the wolf loudly, 'Wolf! Don't move! Hands up and kneel down!' After that, the wolf asked me puzzledly, 'What's wrong, officer?' I said, 'You know! Trying to eat a little girl... you are going to jail!' But, but, but...' said the wolf. But I didn't listen to him and caught him as fast as I could because I thought he looked like a dangerous wolf.

In the police station, I said to the wolf, 'We will investigate about it and if you are innocent, you can go back home. Otherwise, you will have the death penalty. Now, you go to jail first.' 'What an awful and exhausting day I've had enough,' I thought.

Eventually, after investigating, the wolf was innocent and set free. He let out a deep breath after leaving the jail. From this experience, I have learnt that we should investigate clearly before we judge anything.

A wonderful day

6D Leung Chun Hoi / Chris

What a spectacular day! Sam! The short one. John! The tall one. And Dory! The medium-height one, were having a wonderful picnic. The flowers were blooming, the sun was shining, what could possibly go wrong? John pointed at a bee hive, 'Look at this bee hive. It's huge!' Dory replied 'I'll give you 50 bucks if you take it down!' Sam warned John, 'Uh, I don't think you should do this.' But John carelessly ignored Sam.

After John took down the bee hive, the bees started coming out of the hive, and they started to chase John. Dory shouted, 'Run!', and then the trio started running. Sam found a spooky, dark cave. 'Let's go in there! Bees can't fly in the dark!' They all dashed into the cave. When the bees flew in, they stopped flying.

While being in the dark, John turned on his flash light, and he saw a sleeping bear. John warned, 'Sh, be quiet!' He pointed at the bear. Sam and Dory nodded. Suddenly, John dropped the phone, which woke up the bear. Dory and Sam said simultaneously, 'Uh oh.' John quickly picked up his phone, then the trio ran away while the bear was chasing them. Finally, they escaped into the forest safely.

John and Dory have learned that they shouldn't play around with dangerous things. What about Sam? Oh, he's fine.

A picnic day

6E Chow Suet Yee / Joyce

A few days ago, it was a sunny day, the air was refreshing. Tom and his friend were smiling just like the flowers and the reason that they were happy is because they were going to have a picnic. Tom was the one who came up with this idea and his friends agreed. They had the picnic in the country park. They prepared a lot of food including cupcakes, fish balls and chicken wings. They sat down and started eating happily when they were there.

After a while, they almost finished eating but lightning suddenly came down and the trees were on fire. 'Ah!' Tom's friend shouted. They were nervous as an ant on a hot pot and their whole body was shaking. Tom was so scared that his mind was blank. They heard a tiger roaring so they ran as fast as they could. Later, they saw a cave. Tom thought the cave would save them so he pointed at the cave and shouted, 'Let's go into the cave to hide!' 'Okay,' the others said.

At the end, they waited and waited until the tiger's sound was gone. Luckily, Tom had a mobile phone so he went out of the cave and called the police to catch the tiger. 'I will never go to this country park again and I'm sure you guys know the reason for this,' Tom said to his friends.

From this story, Tom learnt that we have to stay calm when we are in trouble.
